

Alexandru Afloarei-Ionut Production Diary

Week Number	Progress Update
1	<p>Looked at all the Specialisms and chose my Specialism.</p> <p>Looked at the briefs for that Specialism and started deciding upon what briefs I will be doing.</p> <p>Planned out the way of approaching the first brief.</p>
2	<p>Researched the way scrolling materials worked and found an appropriate method of making it work for the Brief.</p> <p>Started working on my first brief which is Instanced Scrolling Materials.</p>
3	<p>Continued Working on Instanced Scrolling Materials Brief</p> <p>Started Looking and Researching into the next Brief.</p>
4	<p>Researched my next Brief which is Framerate Counter.</p> <p>Picked up the Framerate Counter Brief and started working on it.</p>
5	<p>Continued working on the Framerate Counter Brief.</p>
6	<p>Continued working on the Framerate Counter Brief.</p> <p>Started Looking and Researching into the next Brief.</p>
7	<p>Researched into the next Brief which is Name Generator</p> <p>Started Working on the Name Generator Brief</p>
8	<p>Continued working on the Framerate Counter Brief.</p>
9	<p>Started Polishing my Briefs and wrapping them up</p>
10	<p>Handed in my Briefs</p>
